JOHN H. KIRBY BECOMES GRANDPA

Houston Lumberman Rejoices Over
Arrival of a Granddaughter.

Messages received in Fort Worth by
friends of John H. Kirby, the million-
aire lumberman of Houston, announce
that he is now entitled to the title of
grandpa. According to the telegrams,
a daughter has been born to Mr. and
Mrs. Stuart at their home at Amster-
dam, N. Y. Mrs. Stuart, before her
marriage at Houston two years ago,
was Miss Bess Kirby, one of the most
popular and beautiful society girls of
Texas.

Mr. Kirby fully appreciates the hon-
or as is evidenced by this telegram
sent to Louis J. Wortham:

"Amsterdam, N. Y., Nov. 9.—By
comparison, Scipio receiving the
plaudits of the Roman people was a
piker. It's a girl. "Grandpa Kirby."
—Fort Worth Star Telegram.

My field one mile north of town,
known as the Proctor place, is posted.
Parties hunting or trespassing on
same will be prosecuted. Mrs. Jas.
Slyfield.

Two Cases of Pellagra Also on Exhibit
at San Antonio.

Special to the Eagle.
San Antonio, Texas, Nov. 10.—The
fourth annual meeting of the Medical
Association of the Southwest conven-
ed yesterday morning for a four days'
session. There are fifteen hundred
delegates. Dr. John N. Jackson, of
Kansas City, is presiding. Two cases
of pellagra are on exhibition, also a
specimen of hookworm disease from
Gonzales.

5,000 HOMELESS.

Special to the Eagle.
Manila, Nov. 10.—Panay island of
the Visayas group of the Philippines,
was crossed by a typhoon last Sunday.
The storm was especially severe in
Capiz province, where many homes
were destroyed.

Five thousand persons are homeless
and much property and crops were
destroyed. The wind, which was of
hurricane force, was accompanied by
heavy rains, and much of the country
is flooded.

FT. WORTH WINS BOTH EXPERIMENT STATIONS

Live Stock Feeding and Black Land
Experiment Stations Combined
and Located at Ft. Worth.

Special to the Eagle.

Fort Worth, Texas, Nov. 10.—The
North Texas live stock feeding sta-
tion and black land experimental farm
to be established by the state will be
located one and one-half miles north-
west of the courthouse and west of
Greenwood cemetery on the White
Settlement road.

The site comprises 160 acres which
is all of the old McDuff homestead
and part of the W. J. Bailey country
place now owned by W. J. Bailey. The
lease of the land for a term of years
by Mr. Bailey was signed up Monday
afternoon and the papers forwarded
to Austin.

The work of fitting the land up for
the purposes of the station will begin
without delay and it is proposed to
have everything in readiness early in
1910. The station, it is believed, will
in time become the most important
in the state and it will be improved
from time to time in order to have it
up to the highest standard.

In connection with the feeding fea-
ture of the station it is proposed to
conduct a black land experimental
farm, which will be of great benefit
to the farming interests of North Tex-
as. It will be in charge of Prof. H.
H. Harrington, and an experimental
staff, and it will be fitted up and
conducted according to the most modern
ideas.

For some time the feeding station
has been assured to Fort Worth, the
location of the packing houses and
center of cattle interests making the
location here almost a foregone con-
clusion.

For the black land farm station
there was a decided contest. Temple,
backed by the Farmers' Union, and
Denton were after the black land farm
station strong.

At the two stations the state will
carry on exclusive experiments in the
feeding of live stock and the produc-
tion of crops.

EDGE ETCHINGS.

The fifth Sunday meeting closed
with a week's revival services con-
ducted by Evangelist Rev. S. W. Ken-
drick and as a result the church has
been greatly revived and three new
members were added to the church.

Brother Kendrick is a great preach-
er. We were sorry our beloved pas-
tor Bro. Waite could not be with us
through the meeting. We are glad to
learn that the sick members of his
family are improving.

We organized our Sunday school
again after it had been "resting" for
about six weeks.

Mrs. Mamie Elliott Bennet has been
visiting her brother, Mr. T. C. Elliott.
She returned to Bryan Tuesday.

Miss Justin McCarty came in from
San Marcos last week to visit her
sister Mrs. G. N. Bingham. Miss Justin
formerly resided among us and we
are all glad to have her come home.

Grandma House is on the sick list
this week. Her illness is not of a
serious nature however and her many
friends hope her to soon be up again.

Jesse Wilson, Little Chas. Payne and
little Pauline Beard are also on the
sick list.

A good many bales of "top crop" are
coming in now and are a great help.
After all, our country is in as good
condition as last year.

Miss Eva McDonald left last week
for Coleman county where she will
teach this winter.

Mrs. Fannie Minkert of Bryan is
the guest of her sister Mrs. Ida Wil-
son.

Mr. Willie Frame is on a trip to
Rosebud and will probably move his
family there.

OBITUARY.

A Friend's Tribute to the Memory of
Prof. Frank V. Turner of
Harvey.

The Bryan Eagle:

It was with sad hearts the many
friends of Mr. Frank Turner, met to-
gether at Bright Light church, to pay
the last sad rites of respect, when
his body was laid gently to rest.

The relatives and friends of two
counties, Brazos and Grimes, were
there. He belonged to the order of
the Woodmen of the World and they
were there to conduct the services.

Mr. Turner was a member of Bright
Light church. He was a devoted

christian, and was for a long time
president of the Christian Endeavor
at that place.

He was always in the lead in all
good work in the Master's cause, and
he will be sorely missed.

He had taught many classes in sing-
ing and the young people all loved
him, for his happy, genial ways and
sunny disposition.

He was a friend and helper to the
sick and sorrowing.

Death is always sad, but doubly so,
when, as in this case, it takes one just
entering a vigorous young manhood.
He had but lately married Miss Ber-
tha Graham, of this community. She
with his brothers, Messrs. Tom,
George and Charlie Turner, and sis-
ter, Mrs. Gilmore, of Grimes county,
are left to mourn his loss.

To them we give our heartfelt sym-
pathy. And to take comfort in the
thought that he is only gone on be-
fore, and that for him all suffering is
over, and that he is gone to dwell in
a fairer land, and to sing the praises
that on earth he loved so well.

A FRIEND.

TABOR TOPICS.

Well, as my letter did not find its
way last week to the waste basket
I will come again.

Rev. Caughley filled his regular ap-
pointment here Sunday evening and
will preach here again next Sunday
evening instead of the third Sunday,
as he has to go to conference the third
Sunday.

Messrs. Horace and Jim Beard and
Carl and Tom Skains of Wixon at-
tended church here Sunday evening.

Mrs. J. W. McCallum and son Albert
and granddaughter Miss Maggie, and
Mrs. Barbie Johnson visited relatives
in Grimes county Saturday and Sun-
day.

Mr. Walter Wilcox and family vis-
ited Mr. and Mrs. O. L. Wilcox Sunday.
Messrs. Marvin Thompson and Jno.
McCallum of Wheelock visited home
folks Sunday.

Mr. and Mrs. Ed Ball of Bryan
were the guests of W. R. Ball and fam-
ily Saturday and Sunday.

The Tabor young people attended
the entertainment Friday night at
Benchley at Mr. and Mrs. S. H. Seale's
and all report a grand time, and hope
they will remember the young people
again soon.

The singing Sunday night at Mr.
and Mrs. W. R. Ball's was highly
enjoyed by all.

Mr. John Freeman and Mrs. Laura
Orear were united in the holy bonds
of matrimony last Thursday evening.
Rev. Gardner of Wheelock officiating.
We wish for them a happy life and
that their path may be clear of
thorns.
